Attachment 4.19-B
(09/10)

Upper Payment Limit (UPL) Payments for Diagnostic and Treatment Centers (DTCs)

1. New York City Health and Hospitals Corporation (HHC) operated DTCs

Effective for the period August 1, 2010 through March 31, 2011, the Department of Health will increase medical assistance rates of payment for diagnostic and treatment center (DTC) services provided by public DTCs operated by the New York City Health and Hospitals Corporation (HHC), at the annual election of the social services district in which an eligible DTC is physically located. The amount to be paid will be \$12.6 million on an annualized basis.

Medical assistance payments will be made for patients eligible for federal financial participation under Title XIX of the federal Social Security Act based on each diagnostic and treatment center's proportionate share of the sum of all clinic visits for all facilities eligible for an adjustment for the base year two years prior to the rate year. Such proportionate share payments may be added to rates of payment or made as aggregate payments to each eligible HHC diagnostic and treatment center.

2. County Operated DTCs and mental hygiene clinics

Effective for the period August 1, 2010 through March 31, 2011, the Department of Health will increase the medical assistance rates of payment for county operated DTCs and mental hygiene clinics, excluding those facilities operated by the New York City HHC. Local social services districts may, on an annual basis, decline such increased payments within thirty days following receipt of notification. The amount to be paid will be \$5.4 million on an annualized basis.

Medical assistance payments will be made for patients eligible for federal financial participation under Title XIX of the federal Social Security Act based on each diagnostic and treatment center's proportionate share of the sum of all clinic visits for all facilities eligible for an adjustment for the base year two years prior to the rate year. Such proportionate share payments may be added to rates of payment or made as aggregate payments to each eligible county operated diagnostic and treatment center and mental hygiene clinic.
