Revisions to rates made for such recruitment and retention costs shall not be subject to subsequent adjustment or reconciliation.

The final rate is payment-in-full for all personal care services provided during the applicable rate year, subject to any revisions made in accordance with rate revision or audit procedures.

For personal care services provided directly by social services district staff, payment is made according to a salary schedule established by the social services district. Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers. The agency's fee schedule rate was set as of January 1, 2009 and is effective for services provided on or after that date. All rates are published on the New York State Department of Health website at:

www.health.ny.gov/facilities/long_term_care/reimbursement/#-cr1

The Office of Mental Health (OMH) established the rate of payment to family care providers approved to provide personal care services to family care residents. The agency's fee schedule rate was set as of April 1, 2008 and is published at www.omh.ny.gov.

For programs providing services in local social services districts which do not include a city with a population of over one million persons, adjustments to Medicaid rates of payment will be calculated by allocating the total dollars available for the applicable rate period to each individual provider proportionally based on each personal care service provider's total annual hours of personal care service provided to recipients of medical assistance to the total annual hours for all providers in this category. The allocated dollars will be included as a reimbursable cost add-on to the Medicaid rates of payment based on the Medicaid utilization data reported in each provider's annual cost report for the period two years prior to the rate year.

Adjustments to Medicaid rates of payment will, in aggregate, not exceed the following amounts for the following periods.

For programs providing services in local social service districts which include a city with a population of more than one million persons:

For the period April 1, 2002 through December 31, 2002, one hundred ten million dollars.
