23. REMARKS:			

7) Case Records

- a) Providers maintain case records that document for all individuals receiving case management as follows:
  - i) The name of the individual;
  - ii) The dates of the case management services;
  - iii) The name of the provider agency (if relevant) and the person providing the case management service;
  - iv) The nature, content, units of the case management services received and whether goals specified in the care plan have been achieved;
  - v) Whether the individual has declined services in the care plan;
  - vi) The need for, and occurrences of, coordination with other case managers;
  - vii) A timeline for obtaining needed services, and
  - viii) A timeline for reevaluation of the plan.

8) Limitations:

- a) Case Management does not include:
  - i) Activities for which third parties are liable to pay;
  - ii) Activities not consistent with the definition of case management services under section 6052 of the Deficit Reduction Act, codified at section 1915(g)(2) of the SSA; and
  - iii) The direct delivery of an underlying medical, educational, social, or other service to which an eligible individual has been referred.
- b) Payment for case management or targeted case management services under the plan does not duplicate payments made to public agencies or private entities under other program authorities for this same purpose.

9) Other Limitations:

- a) Case management services are prior authorized by the Department of State Health Services. The number of billable contacts that are prior authorized is based on the client's level of need, level of medical involvement, and complicating psychosocial factors.
- b) Case management services are available only through the 59<sup>th</sup> day post partum.
