

## DEBRA SMITH

Debra Smith has worked more than 33 years with Centers for Medicare & Medicaid Services (CMS) and its predecessor agencies. During this time, she has served in many different positions as an analyst and coordinator, including her current responsibility as an Outreach Coordinator and Trainer for Medicare Parts A through D. She is also Region II's End Stage Renal Disease Coordinator, and recognized as a national expert in this area.

She earned a BA from the City University at Brooklyn College in Anthropology, as well as 27 credits towards a Masters Degree in Anthropology. She is married and has three children.
