

MEDICARE DRUG BENEFIT AND C & D DATA GROUP

DATE: August 6, 2015

TO: Medicare Compliance Officer, Part C and D Sponsors

FROM: Amy K. Larrick, Acting Director, Medicare Drug Benefit and C & D Data Group

SUBJECT: First Plan Preview of 2016 Star Ratings Data

This memo is to inform Part C and D sponsors that they can preview their Star Ratings data in the Health Plan Management System (HPMS) prior to display on the Medicare Plan Finder (MPF). The first plan preview will be held from August 7-18, 2015.

During this first plan preview, CMS expects Part C and D sponsors to closely review the methodology and their posted data for each measure. Sponsors should immediately alert CMS of any suspected data issues or errors in order to allow sufficient time to investigate and process any necessary data corrections.

Star Ratings assignments will not be available for the first plan preview. The second plan preview will be conducted in early September and will include any revisions made as a result of the first plan preview; in addition, CMS' preliminary Star Ratings for each measure, domain, summary score, and overall score will be displayed. Medicare beneficiaries will be able to view the final Star Ratings via the MPF on www.medicare.gov in October. Data for Medicare-Medicaid Plans (MMPs) are displayed in the first plan preview for informational purposes only. MMPs will not be included in the second plan preview when stars are shown.
