**SUBJECT:** Request for Comments on New Contract Year 2015 Virginia State-Specific Reporting Requirements Appendix

Attached to this memorandum is a draft of the Virginia State-Specific Reporting Requirements Appendix for Contract Year 2015. The document is designed to provide guidance and technical specifications for the revised and new state-specific measures that the Virginia Medicare-Medicaid Plans (MMPs) will be required to collect and report under the Commonwealth Coordinated Care demonstration retroactively for Contract Year 2015. Note that these state-specific measures supplement the reporting requirements in the core reporting requirements document.

Please provide comments on the Virginia State-Specific Reporting Requirements Appendix using the attached template by August 21, 2015, to the Medicare-Medicaid Coordination Office at [mmcocapsreporting@cms.hhs.gov](mailto:mmcocapsreporting@cms.hhs.gov). We will revise this draft document following the comment period announced in this memorandum.
