Subject: Suspension of ICD-10 Daily Reporting

E-mail text:

The purpose of this email is to inform all Medicare Advantage Organizations (MAOs) that they may suspend their daily ICD-10 readiness reporting to their Account Manager effective Monday, November 2, 2015. Therefore, today, October 30, 2015 will mark the final day that MAOs should report on ICD-10 readiness. We thank all MAOs for their diligent reporting over the last month.
