Subject: Updated Dataset for First Plan Preview of 2018 Star Ratings Data

CMS updated the dataset in HPMS for the first 2018 Star Ratings Plan Preview on 8/10/17.

The following issues have been corrected in the original data posted on 8/9/17:

- Part C & D measures C28 and D04: The original data did not apply all measure exclusions to exclude CMS issue complaints. The Complaints Measure Detail pages have also been updated.

The first plan preview comment period will still end on 8/18/17 as announced. Please send questions about Part C and D Star Ratings to PartCandDStarRatings@cms.hhs.gov.
