

Full Texts of 2567 Statements of Deficiencies

These Excel files contain the full texts* of each nursing home deficiency that Survey Agencies cited on the CMS Form 2567 (Statements of Deficiencies). These files contain deficiencies from each nursing home's most recent Standard Survey (inspection) and 2 prior inspections, as well as findings from the most recent 3 years of complaint inspections and 3 years of infection control inspections. Due to the size of these files, they are divided into CMS Regions. Please see [this document](#) for a list of CMS Regions and the States that they comprise.

The layout of the files is as follows:

Field	Description
facility_id	Centers for Medicare and Medicaid Services Certification Number
facility_name	Facility Name
address	Facility Street Address
city	Facility City
state	Facility State
zip	Facility Zip Code
inspection_date	Date of the Inspection
deficiency_tag	(Tag code of the regulation for which the facility failed compliance)
scope_severity	Indicates the level of harm to the resident(s) involved and the scope of the problem within the nursing home (B-L)
complaint	Indicates whether the inspection was based on a complaint
standard	Indicates whether the inspection was part of a standard survey
infctrl	Indicates whether it was an infection control inspection
IDR	Indicates that the deficiency is under Informal Dispute Resolution (IDR)
IIDR	Indicates that the deficiency is under Independent Informal Dispute Resolution (IIDR)
eventid	Unique identifier code for the inspection
inspection_text	Full text describing the deficiency

* Please note that although these are the full texts, some items, such as names, have been removed in order to protect resident identity and confidentiality.
