Lower Limb Prosthesis Draft (July 2015) – Bibliography Joint DME MAC Publication

The DME MACs released a draft revision of the Lower Limb Prosthesis LCD for comment on July 16, 2015. The comment period runs through August 31, 2015. The policy template provides an optional field to list the references used in the preparation of a policy revision. As a general courtesy, the DME MACs provide a bibliography when policies are released for comment. The bibliography for this draft was inadvertently omitted during the publication process.
